NEBRASKA

Good Life. Great Opportunity.

DEPT. OF ECONOMIC DEVELOPMENT

Additional Advantages in the Nebraska Advantage **Economic Development** Package.

Nebraska Customized Job Training Advantage

Provides a flexible and discretionary job training program with grants from \$800 to \$4,000 per qualified new job. Additional grant funds may be available for new jobs created in rural and high poverty areas. You can design your own training, or a statewide training team can assist with training needs and assessments, training plans, curriculum development, and training instruction.

Nebraska Advantage Research and Development Credit

Offers a refundable tax credit for qualified research and development activities undertaken by a business entity for 21 years. The credit is equal to 15 percent of the federal credit allowed under Section 41 of the Internal Revenue Code of 1986 for research and development. The credit is increased to 35 percent of the federal credit allowed under Section 41 of the Internal Revenue Code of 1986 for expenditures on the campus of a college or university in Nebraska or a facility owned by a college or university in Nebraska.

Nebraska Advantage Microenterprise Tax Credit

Provides a 20 percent refundable tax credit to micro businesses on increased compensation for employees or increased investment in targeted communities. Applicants may qualify for a maximum \$10,000 throughout the life of the program. The credit is limited to companies with five or fewer employees at the time the application is filed, including start-ups. Credits are approved on a first-in-first-out basis through an application process with the Nebraska Department of Revenue. The credits are earned on increased expenditures for wages, buildings, certain expenses, and non-vehicle depreciable personal property.

And Even More Advantages!

Community Development Block Grant (CDBG)

Loans designed to create quality jobs and promote new investment. CDBG funds must be used to benefit low to moderate income persons, aid in the prevention or elimination of slums or blight, or meet other community development emergency needs. CDBG funds can be used to purchase machinery, equipment and inventory, meet working capital needs, develop community infrastructure, construct or renovate existing buildings and real estate.

Site & Building Development Fund

Provides financial assistance to eligible local governments and Nebraska non-profit organizations to prepare parcels of land and buildings for future industrial growth and development. Eligible activities may include land and building acquisition, building construction or rehabilitation, site preparation, infrastructure development and improvements, engineering and design costs, technical assistance and planning, and other preapproved costs involved in the development of industrial-ready sites and buildings.
