

# NEBRASKA MANUFACTURING

NEBRASKA

Good Life. Great Opportunity.

DEPT. OF ECONOMIC DEVELOPMENT

## TAKE A LOOK

In Nebraska, we make a variety of products known and used all over the world. Due to our central location and strong, Midwestern work ethic, companies such as Becton Dickinson (BD), 3M Company, Case New Holland, Kawasaki, Nucor Steel, Valmont Industries, among many others, have large operations in our state.

Contact a Nebraska Department of Economic Development representative to learn more about the opportunities in Nebraska!
